IDEA-0630

- h. Provide engineering coverage on all the above.
- i. Flight Test and deliver five aircraft
- j. Provide and/or modify GHE for J-75 configuration

3. Expected Additional or Related Work or Services:

VOR kits provided in accordance with paragraph 2. d. above will be installed in Articles 342, 343 and 344 under Contract SP-1923.

4. Total Estimated Cost:

25X1A

- a. Funds available from previously approved Activity Program 62-3 25X1A
- b. Funds available as surplus from other line items in the approved OPD Operational Program for FY 1962:

<u>Line Item</u>	<u>Page No.</u>	<u>Amount</u>
E-K HF-2410	13	<input type="text"/>
LAC-Refuel/		
Guaging/Fit Test	16	
P&E LN-473	16	

25X1A

- c. Funds to be reimbursed by the Air Force for overtime and other excess costs involved with accelerating the modification and conversion of Articles 343 and 344
- d. Total funds available
- e. Additional funds required
- f. Although all the above requirements were not specifically included in our Operational Program for FY 62, we have included the entire program in the OPD Projection Report as of 31 December 1961 and will be able to fund the program within the amount allocated to the IDEALIST program.
